Serving the Children of the World

The greatest danger for most of us is not that our aim is too high and we miss it, but that it is too low and we reach it.

Sue Huff - Candidate Alberta Party

We had the pleasure of welcoming a relative newcomer to the Alberta political arena in Alberta Party candidate Sue Huff.

Sue lives in the community she wants to represent and feels that she is connected to that community.

She states that she is

passionate about being a voice for the voiceless. Sue told us of the unique way that her party addresses the perceived disconnect between main stream politicians and the people. She says that the Alberta Party is one who listens to the people and will try to institute the needed changes that are identified. They identified some of those needs through what they call the "BIG LISTEN" where they had meetings with small intimate groups and actually listened to their hopes, pressures and dreams. Through this channel they found out that Albertans have similar values no matter where they live in the province.

"Together we can move mountains" Sue declared. She believes strongly that change is possible. She passed on this little bit of wisdom, "The measure of a society is how it treats it's most vulnerable members."

common ground. common sense.

We also had visitors from our Circle K Club Daniel Lee the new incoming District Governor, Jason Young the new Lt Governor, Kathy Le Vice President General and member Jack Hong.

Some Items of Note

- ⇒ WCD Spring Fling and education sessions in Moose Jaw April 13 -15
- ⇒ Trivia Night April 20 - We agreed to run the bar for the Trivia Night. Oil Capital has agreed to run the concession and the new Camrose Club will be in charge of registration. We also have agreed to try to find some silent auction items, (Our club receives some \$\$ from this) Please refer to the sample request letter attached to this email.
- ⇒ One Day Project at Amiskwaciy Academy moved to April 28. Things will get underway @ 9AM with a pipe ceremony and a drum ceremony. Quite the spectacle I hear. More later.
- ⇒ Venetia asked if we were prepared to participate in KT's `Skip A Meal` program this year. We decided that it would be fun to bring a bag lunch that would then be randomly swapped with another members. We will attempt to hold this at the Amiskwaciy Academy in lieu of our May 28th regular meeting. We would still pay our regular stipend of \$20 with the proceeds going to the Canadian Kiwanis Foundation. We would invite all other clubs to join us if they were so inclined.
